

The wall of change

Illustrate the idea of "change"

In 2023/2024, we are asking people living in different countries (France, UK, Ivory Coast, Mexico, Russia, Greece, etc.) to represent their idea of "change". We want to collect more than 500 postcards, which will be featured in an online exhibition from May 2024.

Our goal: to present a testimony across the boundaries of the vision of change and analyse what brings us together.

<p>How would you illustrate the meaning of 'change'? <i>Spontaneously, without thinking too much about it, what images come to mind? What shapes?</i></p> <p><i>Use the technique of your choice (drawing, painting, collage of images, digital etc.) represent the idea of change.</i></p> <p><i>Use this postcard template or any other support of your choice of the same size (108 x 151 mm).</i></p> <p><i>Take a good quality photo and send it by e-mail to semiopirates@gmail.com</i></p>	<h2 style="text-align: right;">Semiopirates</h2> <p><i>This is a not-for-profit project and is not funded by any organisation. Your participation is anonymous. We just need some information for our analysis.</i></p> <p>Your first name: _____</p> <p>Country : _____</p> <p>Age : _____</p> <p><i>If you want us to send you the results, leave us an e-mail address:</i></p> <p>_____</p> <p><i>You can add a few words to comment on your production.</i></p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p style="text-align: right;">semiopirates.com </p>
